

## Joint inno4sd.net - Future Earth Symposium Eco-Innovation for the Water-Energy-Food Nexus 17-18 November 2016

Event webcast via: www.inno4sd.net

Hosted by The Cyprus Institute, Future Earth MENA Regional Centre

Athalassa Campus, 20 Konstantinou Street 2121 Aglantzia, 1645 Nicosia Cyprus

## 17 November

8:30	Registration
	Moderation: Astrid Severin, Greenovate! Europe (Belgium)
9:00	Welcome to the Future Earth MENA Regional Centre Manfred Lange – The Cyprus Institute
	Nikolaos Mihalopoulos – National Observatory of Athens (Greece)
9:05	Strategic approach to the nexus and global co-operation of sustainability networks
	Paul Vossen – <i>European Commission</i> (Belgium)
9:15	inno4SD.net– An emerging network of networks about innovation for sustainable development
	Carlos Montalvo – <i>TNO</i> – inno4SD.net coordinator (Netherlands)
9:25	Future Earth – Fostering research for global sustainability
	Thorsten Kiefer – <i>Future Earth, Paris Hub</i> (France)
9:35	Keynote – Challenges and Opportunities in the Water-Energy-Food Nexus
	Paul Yilia – International Institute for Applied Systems Analysis (Austria)
9:55	Keynote – Water-Energy-Food Nexus: The crossroads with sustainable innovation
	Raimund Bleischwitz – <i>University College London</i> (United Kingdom)
10:15	Coffee Break

10:45	Panel Discussion: Understanding Eco-Innovations and the Nexus
	Chairman: Michal Miedzinski – <i>University College London</i> (United Kingdom)
	Panel
	Khalil El Bakari – The Netherlands Organisation for Scientific Applied Research (Netherlands)
	René Kemp – <i>MERIT University of Maastricht</i> (Netherlands)
	Fred Steward – <i>Policy Studies Institute</i> (United Kingdom)
	Priya Dasgupta – <i>BOP Global Network</i> (United States)
	Florian Lüdeke – <i>University of Hamburg</i> (Germany)
	Liazzat Rabbiosi – United Nations Environment Programme (France)
	Rapporteur: Raimund Bleischwitz – University College London (United Kingdom)
12:30	Lunch
14:00	Future Earth Knowledge Action Network (KAN) on the Nexus and Cities
	Sandrine Paillard – <i>Future Earth, Paris Hub</i> (France)
	Jean Patrick Toussaint – <i>Future Earth, Montreal Hub</i> (Canada)
14:15	Introduction to Parallel Sessions
	Fernando Diaz Lopez, TNO
	1. The New is and Lithen Development
	1. The Nexus and Urban Development
	Chairman: Carlos Montalvo – <i>TNO</i> (Netherlands) / Co-Chair: Jean-Patrick Toussaint – <i>Future Earth</i>
	(Canada)
	Rapporteur: Thorsten Kiefer – <i>Future Earth</i> (France) & Claudio Baccianti (Germany)
14:30	EIT KIC-Climate Transition Cities – Fred Steward, Policy Studies Institute (United Kingdom)
14:45	Nexus: Investigating the concept through the application of a sustainable sanitation system, the Case of
	<b>Zerzara, Hurghada, Egypt</b> – Anas Alhowaily <i>, TU Berlin</i> (Germany)
15:00	Mapping integrative imaginaries of Danish urban water governance: advancing nexus governance
	theorization in support of inclusive and desirable path-creation – Chiara Fratini, SPRU-University of Sussex
	(United Kingdom)
15.15	Sustainable renovation models for smarter cities: Experiences from eight European cities – Katharina Krell,
	<i>Greenovate! Europe</i> (Belgium)
15.30	Coffee break
16:00	Role of business in the Nexus – Liazzat Rabbiosi, United Nations Environment Programme (France)
16:15	Towards Smart Communities, Electrification and Sustainable Energy – Khalil El Bakari, TNO (Netherlands)
16.30	Form, Function and Efficiency issues as a pre-condition to Smart City development – Juan Alayo, Strategic
	City Planning & Research (Spain)
16:45	Moderated Discussion

	<b>2. Addressing Nexus Challenges in the MENA Region</b> Chairman: Manfred Lange – <i>The Cyprus Institute /</i> Co-Chair: Astrid Severin – <i>Greenovate! Europe</i>
	(Belgium)
	Rapporteurs: Simone Tagliapietra & Lucia dal Negro – SEEDS (Italy)
14:30	Challenges for the MENA Nexus - Manfred Lange, The Cyprus Institute
14:45	<b>Bibliotheca Alexandrina Capacity Building Programs Helping Young Researchers of our Region</b> – Salah Soliman, <i>Biblotheca Alexandrina</i> (Egypt)
15:00	Strengthening the scientific foundation of water quality programmes: The case of the Kalo Horio Basin and the Larnaca Salt Lake – Charalambous Panayiotou, <i>Atlantis Consulting</i> (Cyprus)
15.15	Sustainable solutions addressing water scarcity and agriculture in Jordan – Michael Gilmont, University of Oxford (United Kingdom)
15.30	Coffee break
16:00	Partnerships enhancing BoP: cases from Tunisia, Egypt and Mexico – Philippe Jochaud, Global CAD, BOB Lab (Spain)
16:15	Water-Energy Nexus in Jordan Valley – Louy Qoaider, German Jordan University Amman, School of Natural Resources, Engineering and Management (Jordan)
16.30	Moderated Discussion
16.30	Moderated Discussion 3. Eco-Innovation for Better Access to Water, Energy and Food
16.30	<ul> <li>3. Eco-Innovation for Better Access to Water, Energy and Food</li> <li>Chairman: Massimiliano Mazzanti – University of Ferrara (Italy)/ Co-Chair: Sandrine Paillard – FutureEarth</li> </ul>
16.30	3. Eco-Innovation for Better Access to Water, Energy and Food
16.30 14:30	<ul> <li>3. Eco-Innovation for Better Access to Water, Energy and Food</li> <li>Chairman: Massimiliano Mazzanti – University of Ferrara (Italy)/ Co-Chair: Sandrine Paillard – FutureEarth (France)</li> </ul>
	<ul> <li>3. Eco-Innovation for Better Access to Water, Energy and Food</li> <li>Chairman: Massimiliano Mazzanti – University of Ferrara (Italy)/ Co-Chair: Sandrine Paillard – FutureEarth (France)</li> <li>Rapporteur: Imke De Kock – Stellenbosch University (South Africa)</li> <li>Philosophical concepts of justice and equity as a basis for governing the WEF nexus – Meike Henseleit</li> </ul>
14:30	<ul> <li>3. Eco-Innovation for Better Access to Water, Energy and Food</li> <li>Chairman: Massimiliano Mazzanti – University of Ferrara (Italy)/ Co-Chair: Sandrine Paillard – FutureEarth (France)</li> <li>Rapporteur: Imke De Kock – Stellenbosch University (South Africa)</li> <li>Philosophical concepts of justice and equity as a basis for governing the WEF nexus – Meike Henseleit Forschungszentrum Jülich GmbH (Germany)</li> <li>Knowledge Networks of Grassroots: Addressing nexus challenge – Anamika Dey, HoneyBee Network</li> </ul>
14:30 14:45	<ul> <li>3. Eco-Innovation for Better Access to Water, Energy and Food</li> <li>Chairman: Massimiliano Mazzanti – University of Ferrara (Italy)/ Co-Chair: Sandrine Paillard – FutureEarth (France)</li> <li>Rapporteur: Imke De Kock – Stellenbosch University (South Africa)</li> <li>Philosophical concepts of justice and equity as a basis for governing the WEF nexus – Meike Henseleit Forschungszentrum Jülich GmbH (Germany)</li> <li>Knowledge Networks of Grassroots: Addressing nexus challenge – Anamika Dey, HoneyBee Network (India)</li> </ul>
14:30 14:45 15:00	<ul> <li>3. Eco-Innovation for Better Access to Water, Energy and Food</li> <li>Chairman: Massimiliano Mazzanti – University of Ferrara (Italy)/ Co-Chair: Sandrine Paillard – FutureEarth (France)</li> <li>Rapporteur: Imke De Kock – Stellenbosch University (South Africa)</li> <li>Philosophical concepts of justice and equity as a basis for governing the WEF nexus – Meike Henseleit Forschungszentrum Jülich GmbH (Germany)</li> <li>Knowledge Networks of Grassroots: Addressing nexus challenge – Anamika Dey, HoneyBee Network (India)</li> <li>Geopolitics of water in the MENA Region – Ahmet Evin, Sabanci University Istanbul Policy Centre (Turkey)</li> </ul>
14:30 14:45 15:00 15.15	<ul> <li>3. Eco-Innovation for Better Access to Water, Energy and Food</li> <li>Chairman: Massimiliano Mazzanti – University of Ferrara (Italy)/ Co-Chair: Sandrine Paillard – FutureEarth (France)</li> <li>Rapporteur: Imke De Kock – Stellenbosch University (South Africa)</li> <li>Philosophical concepts of justice and equity as a basis for governing the WEF nexus – Meike Henseleit Forschungszentrum Jülich GmbH (Germany)</li> <li>Knowledge Networks of Grassroots: Addressing nexus challenge – Anamika Dey, HoneyBee Network (India)</li> <li>Geopolitics of water in the MENA Region – Ahmet Evin, Sabanci University Istanbul Policy Centre (Turkey)</li> <li>Coffee Break</li> </ul>

17:30	<b>Report to Plenary</b> <i>Exploring Synergies from the Parallel Sessions: Identified Solutions and Best Practices</i> Report on the Nexus and Smart City Development, with Q&A – Carlos Montalvo, <i>TNO</i>
	Report on Addressing Nexus Challenges in the MENA Region, with Q&A – Manfred Lange, <i>The Cyprus Institute</i> Report on Eco-Innovation for Better Access to Water, Energy and Food, with Q&A – Massimiliano Mazzanti, <i>University of Ferrara</i>
18:00	End of Day One
20:00	Symposium Dinner

## 18 November

8:45	Arrival of Participants
	Collaborative Research Agenda Process for the Water-Energy-Food Nexus
9:00	Introduction – Michal Miedzinski – <i>University College London</i> (United Kingdom) & Astrid Severin – <i>Greenovate! Europe</i> (Belgium)
9:05	World Café Session
	<i>Table 1 – Policy Appraisal Tools and Analytic Frameworks</i> Host: Raimund Bleischwitz (UCL) – Rapporteur: Michal Miedzinski (UCL)
	<i>Table 2 – Governance and Institutions</i> Host: René Kemp (UNU-MERIT) – Rapporteur: Fernando Diaz Lopez (TNO)
	<i>Table 3 – Cities</i> Host: Jean-Patrick Toussaint (Future Earth) – Rapporteur: Emma Langevin (Future Earth)
	Table 4 – Nexus Impacts on Sustainable Development Goals Host: Manfred Lange (Cyprus Institute) – Rapporteur: Sandrine Paillard (Future Earth)
	<i>Table 5 – Innovation &amp; Technology Transfer</i> Host: Carlos Montalvo (TNO) – Rapporteur: Massimiliano Mazzanti (UNIFE)
11:00	Coffee Break

11.20	Presentation of World Café Conclusions
	Table Rapporteurs
11:50	Funding schemes and opportunities: Belmont Forum, European PRIMA Fund and ERA-Net – Paul Vossen,
	European Commission, DG Research and Innovation (Belgium)
12:10	Next Steps for Future Research and Concluding Remarks
	Jean-Patrick Toussaint & Sandrine Paillard – <i>Future Earth</i>
	Carlos Montalvo – <i>TNO/inno4sd</i>
12:30	Introduction to Solar Programmes in Cyprus and Visit to Linear Fresnel Solar Energy System
	Manfred Lange – The Cyprus Institute
13:00	Lunch
14:00	Cyprus Institute Site Visits
	Bus Transfer to PROTEAS Concentrated Solar Power Plant & Solar Research Facility
17:00	End of Symposium
