CALL FOR PAPERS

The Centre for Research on Circular Economy, Innovation and SMEs (CERCIS) and SEEDS (Sustainability, Environmental Economics, and Dynamics Studies) of the University of Ferrara are glad to announce their joint organization of an international Workshop titled

“CERCIS in Bloom - Circular Economy and Transition”

The transition to the circular economy is driven by the co-evolution of different transitions occurring at different geographical and impact dimensions in which new business and behavioural models emerge and develop. The Workshop aims at stimulating discussion on the implementation of the circular economy strategy from different perspectives. The debate on drivers and barriers is crucial to achieve a deeper knowledge on circular development opportunities and strategies at macro, micro, and meso level. The focus of the workshop will be on (but not restricted to):

- the geographical effect of the Circular Economy;
- the impact of Circular Economy on different social dimensions;
- the behavioural change in the Circular Economy;
- Circular Economy and firms perspectives;
- circular opportunity and strategy;
- the finance of the Circular Economy.
